Community Benefit
\$78.2 million

Halifax Health has served as the leading provider of healthcare in our community for 83 years. Let's take a closer look at the benefits.

Service to Uninsured Patients = \$32.3 million

Medicaid and Medicare Deficits = \$28.8 million

The health system spent more than **\$32.3 million** in fiscal year 2010 (FY10) to care for patients who were under- or uninsured. This number does not include the **\$28.8 million** that was spent subsidizing Medicaid and Medicare deficits.

Physician Services = \$6.8 million

The medical staff at Halifax Health consists of more than 500 area physicians, representing 46 medical subspecialties who serve our community's healthcare needs.

Trauma Center = \$6.4 million

Halifax Health operates the only Trauma Center in the area. This means that trained professionals including trauma surgeons, specialists and staff are available 24 hours a day, seven days a week, to care for the area's most emergent healthcare needs. In FY10, Halifax Health spent **\$6.4 million** to maintain its promise to the community that no matter the emergency, the Trauma Center at Halifax Health is here to serve.

Preventive Health Services = \$0.7 million

Through local clinics and programs such as Healthy Communities, Halifax Health contributed **\$0.7 million** to preventive health services in FY10.

Neonatal and Pediatric Intensive Care Units = \$0.9 million

The area's only 24-hour Neonatal Intensive Care Unit (NICU) and the only Pediatric Intensive Care Unit (PICU) are located at Halifax Health. These services guarantee 24-hour care for babies and children in our community.

Child and Adolescent Behavioral Services = \$0.6 million

Halifax Health - Behavioral Services is the only organization of its kind in the area. Halifax Health contributed **\$0.6 million** in FY10 to provide Psychiatric and Psychological services to children and adolescents, as well as individual, family and group counseling.

Total Benefit to the Community = \$78.2 million

During FY10, Halifax Health provided abundant benefits to the community resulting in a total contribution equal to **\$78.2 million**.
