CONFLICT OF INTEREST: Consistent with Halifax Health, the Accreditation Council for Continuing Medical Education, and the Florida Medical Association policy, faculty for this conference are expected to disclose to you at the beginning of their presentation any economic or other personal interests that create, or may be perceived as creating, a conflict related to the material discussed. This policy is intended to make you aware of faculty's interests, so you may form your own judgements about such material. Full disclosure of faculty's relationship(s) is also included in the program syllabus.

Workshops/Seminars

Optimizing Care in Gynecology – this interactive workshop will consist of a series of case scenarios chosen to illustrate a variety of common gynecologic problems.

ACLS Workshop – this interactive workshop will focus on recent changes in ACLS protocols (workshop does not certify attendee).

Joint & Soft Tissue Injection in Primary Care – this workshop provides a review of indications and contraindications for joint/soft tissue injections. Hands-on training will focus on anatomic landmarks for common office-based injection techniques.

Conference Purpose/Goals

For 29 years, we have designed our Family Medicine Update to meet the educational needs of primary care specialists in the evolving field of family medicine by providing excellent talks and workshops on clinically-important topics related to the busy, office-based primary care practitioner. Our program changes yearly, based on the comments, suggestions and needs of our participants.

Americans With Disabilities Act

Halifax Health and the Family Medicine Residency Program wish to ensure that no individual with a disability is excluded, denied services, or otherwise treated differently from other individuals because of the absence of auxiliary aids or services. If you need assistance or services as identified in the American Disabilities Act, please contact us no later than February 1, 2009 in order for us to make appropriate arrangements.

Educational Grants

This conference is supported in part by educational grants from multiple industry sponsors. At the time of this printing, a complete listing of commercial supporters was not available. Appropriate acknowledgement will be given to all supporters at the time of the conference.

Accreditation

Halifax Health Medical Center is accredited by the Florida Medical Association to sponsor continuing medical education for physicians. Halifax Health Medical Center designates this education activity for a maximum of 25.0 AMA PRA *Category 1 Credit(s)*[™]. Physicians should only claim credit commensurate with the extent of their participation in the activity.

This activity has been reviewed and is acceptable for up to 25.0 prescribed hours by the American Academy of Family Physicians. This program is eligible for up to 25.0 credit hours in Category 2-A by the American Osteopathic Association.

Disclaimer

Halifax Health Medical Center and the Family Medicine Residency Program assume no liability for any claims, personal injury or damages that may arise out of or during the 29th Annual Family Medicine Update Conference on the Beach.

Location

The Plaza Resort & Spa of Daytona Beach. Discover the grand tradition of hospitality and service at this Daytona Beach hotel.

Enjoy stunning views of the Atlantic Ocean and experience true relaxation as you indulge yourself at Ocean Waters Spa, our full-service European-style spa. The Plaza Resort & Spa is ideally located in the heart of Daytona Beach near entertainment, dining and all of Central Florida's popular attractions.

How to Get There

If you plan to fly into Daytona Beach International Airport, The Plaza Resort & Spa is just a short ride away. If driving, The Plaza Resort & Spa is easily reached via I-95 by taking Exit 261 east to A1A and turning left.

The Plaza Resort & Spa, 600 N. Atlantic Ave., Daytona Beach, FL, 386.255.4471
