Dear _____

In order to determine your eligibility for clinic and/or other health care benefits through the Department of Veterans Affairs (VA), you must go to the VA Clinic at 551 National Healthcare Drive in Daytona Beach (main entrance, Enrollment and Eligibility window). You must have a copy of your DD-214 form with you.

A copy of your DD-214 form may be obtained by applying at the VA Clinic at the above address or at the Veterans Services Division in the Volusia County Administrative Building at 250 N. Beach Street in Daytona Beach.

In order to receive assistance from Halifax Health – Patient Assistance, you must provide us with your documentation as to your eligibility or non-eligibility for Veteran benefits.

Obtaining a response from the VA might take some time so please begin the process as soon as possible.

Thank you.
