

2010 Waterbury CT Relay For Life

June 5, 2010

Crosby High School, 300 Pierpont Road

New England Home Care is proud to announce its support and participation in Relay For Life, the American Cancer Society's signature fundraising nationwide event. Relay For Life is a life-changing event that brings together more than 3.5 million people to celebrate the lives of those who have battled cancer and to remember loved ones who have lost the battle. Relay for Life offers everyone in a community an opportunity to participate in the fight against cancer by forming walking teams. Each team member takes turns walking or running around a track during the course of a 24 hour period.

Within the New England Home Care family of employees and patients, we see the many aspects of cancer and its impact. We are proud to announce our support of this effort as a corporate sponsor and a supporter of the New England Home Care team "Walk With Joy 2010." The "Walk With Joy" team is led by Captain, Sue Miklinevich (Waterbury Branch primary care nurse). Sue has been involved in her own personal experience with cancer and has continued to work as a primary care nurse while undergoing treatment.

It is our privilege to support Sue and her team. "Walk With Joy" raised \$7000.00 last year and have currently raised \$1400.00. Let's together support the team and fight cancer. To join the "Walk with Joy" team or to contribute money or other support please logon to the "Walk with Joy"
