## ABOUT THE ORANGE REGIONAL MEDICAL CENTER FOUNDATION

---

Philanthropy has always been the cornerstone of Orange Regional Medical Center, and has allowed the hospital to provide care for more than a century. While the Medical Center is also supported by other financial means, philanthropy plays an important role in ensuring high-quality care as well as continued research and education.

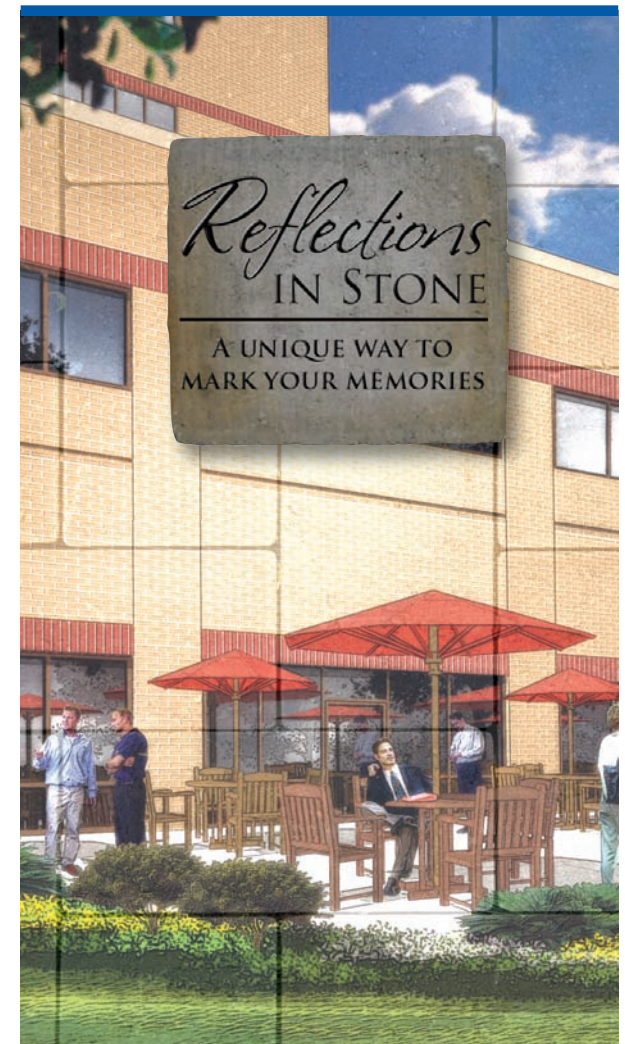

The Orange Regional Medical Center Foundation is a 501(c)3 tax-exempt charitable organization whose sole purpose is to encourage philanthropic support for Orange Regional Medical Center. Funds raised through the Foundation's activities are used to acquire and maintain state-of-the-art medical equipment and support a wide range of healthcare programs.

For more information on how the Orange Regional Medical Center Foundation can help you fulfill your philanthropic goals, please call 845.294.2135 or email: [foundation@ormc.org](mailto:foundation@ormc.org).

HELP ORANGE REGIONAL  
MEDICAL CENTER PAVE THE WAY  
TO A HEALTHIER FUTURE

The Reflections in Stone program provides an opportunity to leave a lasting remembrance at the new Orange Regional Medical Center. We invite you to leave an individual message, pay tribute to a loved one or honor someone by purchasing an engraved patio paver.

The engraved pavers will embellish the Reflection Terrace, an outdoor patio area adjacent to the Cafeteria of the new Orange Regional Medical Center.

This program offers donors a chance to support Orange Regional Medical Center and show their gratitude for the caring and generous spirit of our staff. Pavers may be engraved with your name,
