Fight the Flu Campaign

Beginning on October 23.
Four locations, one near you.

The City of Stamford's Health & Social Services Department and Stamford Hospital are proud to partner in this year's "Fight the Flu" campaign.

Flu immunization is highly recommended for people 50 years and older; adults and children at high risk due to heart disease, lung disease, disorders of the immune system, and other chronic conditions. It is also important for women who will be pregnant during the flu season, children age 6 months to 18 years, and those in close contact with people at high risk for complications of the flu.

Fee: **\$30** (per flu shot)

For more information please call our flu hotline:
