RISTIN'S STORY

2.7 POUNDS WAS HOW MUCH BABY RISTIN
WEIGHED THE DAY HE WAS BORN. TWO MONTHS
LATER HE WENT HOME STRONGER THAN HIS
PARENTS EVER THOUGHT POSSIBLE.

At Eastern Connecticut Health Network, we continue to innovate, invest and expand to bring new life into the world. Our SBM Charitable Foundation Family Birthing Center at Manchester Memorial Hospital offers new parents complete family-centered maternity services, including comprehensive prenatal care and education classes, private labor/delivery rooms, and alternative birthing options, such as hydrotherapy, waterbirths and midwifery services. And when necessary, a team of neonatologists and other pediatric specialists are here to ensure that you have a healthy, happy and stress-free delivery, right here at home, east of the river. You and ECHN – *healthier together.*

Dear Friends of VNHSC:

With heartfelt gratitude, I welcome all of you to this special event featuring golf on a spectacular course followed by a dinner to celebrate the day in the company of many close friends. This annual tradition has become a highlight of our fall, bringing people together to celebrate and support a great cause – the programs and services provided to the community by Visiting Nurse & Health Services of Connecticut (VNHSC).

VNHSC's many programs provide needed home and community based health care to residents of 26 towns and communities in north central Connecticut. In these challenging economic times, VNHSC's longstanding tradition of providing the highest quality care delivered by compassionate and expert caregivers remains unchanged. Also unchanged is the philosophy we believe in and live by on a daily basis. A philosophy founded on the basic principal that health care and community-based services and programs serve to keep patients at home and families together. Thanks to you, the financial support we receive today will help ensure continuation of that tradition and enable us to continue providing needed health care to uninsured and underinsured individuals who would otherwise go without.

Special thanks to the golf tournament committee members, staff and volunteers who worked so hard to make this day a special one. I also want to express my sincere appreciation to the individuals and businesses who contributed so generously to this event.

I hope that you all enjoy this day and take pride in supporting such a wonderful cause.

Sincerely,
